

MARKET INFORMATION SEMINAR

CLEANROOM GLOVES IN JAPAN, CHINA AND SOUTH KOREA AND RUBBER GLOVES MANUFACTURING IN VIETNAM

Objective

The purpose of this seminar is to provide latest information on the market for cleanroom gloves in Japan, China and South Korea. The information includes the market size of cleanroom gloves, supply channels and main users of the gloves in the three countries. The topic on rubber gloves manufacturing in Vietnam will provide an overview of the rubber gloves industry in the country, latest developments and future outlook.
