马来西亚制造 口碑取决于品质

马来西亚： 优质橡胶医疗器械的来源

马来西亚是优质橡胶产品的主要出口国。马来西亚从天然橡胶原料主要出口国顺利转型至广泛的橡胶制品出口国。马来西亚被公认为具有强大的竞争力以满足全球各地对优质橡胶医疗产品的需求。

良好的生产品质管理规范 and 不断地创新,马来西亚制造商已经证明了能够提供及满足客户的特定需求。马来西亚是世界上最大的医用手套, 避孕套及橡胶导管出口国。

马来西亚橡胶业还获得马来西亚橡胶研究所(RRIM)以及英国敦阿都拉萨研究中心(TARRC)提供的研发支持和检测实验室, 因此在这方面拥有了独特的优势。

MALAYSIA: YOUR SOURCE FOR QUALITY RUBBER MEDICAL DEVICES

Malaysia is a major exporter of high quality rubber products. Malaysia has progressed successfully from largely an exporter of raw natural rubber to an exporter of a wide range of value-added rubber products. Malaysia is also widely recognized for its competitiveness in meeting the world's demand for high quality rubber and rubber products.

With sound manufacturing practices and continuous innovation, Malaysian manufacturers have proven themselves capable of adapting to meet specific customer requirements. Today, Malaysia is world's largest exporter of medical gloves, condoms and rubber catheters.

The Malaysian rubber industry also has the advantage of R&D support and testing laboratories provided by the Rubber Research Institute of Malaysia (RRIM) and the Tun Abdul Razak Research Center (TARRC) in the United Kingdom.
