

**9 JULY 2019**

**9.30AM TO 4.00PM**

**MREPC SEMINAR HALL** – Level 36, West Wing, Q Sentral, KL Sentral, 50470 Kuala Lumpur

## Objective

The MREPC Industry Consultation has been an effective platform for MREPC to gather feedbacks from the industry on MREPC's upcoming activities, services and programmes. At this year's industry consultation, MREPC will introduce and present the MREPC's Roadmap for 2020 - 2021 to enhance exports of Malaysian rubber products to the world market. As for the market updates, MREPC's overseas offices will brief the industry members on the current issues and developments related to the market for rubber and rubber products in the US, Europe, China and India. All decision makers, business owners, export and marketing managers as well as market strategists of rubber products companies are welcomed to attend.
