Malaysian Rubber Council (MRC) has launched its latest funding programme the "Global Funding for Rubber Innovation (GFRI)" in June 2022. Following the launching, MRC is organising GFRI roadshow which will be a meeting point for the exchange of information between the rubber industry and researchers to identify research area for funding opportunities.

The roadshow activities include signing of Certificate of Cooperation between MRC and universities, briefing on GFRI, presentations on Malaysian rubber industry as well as other funding programmes offered by MRC.
