

ASEAN Economic Community (AEC): Benefits, Challenges and Achievements

Date: 24 November 2016

Time: 10am - 1pm

Venue: Unit 36-01, West Wing, Level 36, Q Sentral, 2A, Jalan Stesen Sentral, 50470 KL

The establishment of the AEC in 2015 is a major milestone in the regional economic integration agenda in ASEAN. In 2014, AEC was collectively the third largest economy in Asia and the seventh largest in the world. This briefing will provide understanding on the AEC Blueprint 2025 aimed to provide strategic directions and guidelines for the AEC from 2016 to 2025. As the AEC aims to be an integrated market and production base with free movement of goods, services, freer flow of capital, and skilled labour, this briefing will provide assessments on the benefits and challenges of AEC to rubber products industry in the region.
