Objectives

- Strengthen safety culture in workplace especially in the rubber product industry through effective management of toxic and hazardous materials
- Improve knowledge transfer on safety to fellow workers effectively
- Reduce accident and mishap rates through communicating via chemical safety data sheet (CSDS)
- Provide workers with adequate knowledge on safety signage

Please log into our website at **www.mrepc.com** for online registration

Effective 1 April 2015, the participation fee is subject to 6% GST.
