

MALAYSIAN RUBBER INDUSTRY ESG CONFERENCE (MREC) 2025

Creating Opportunities Amid Sustainability Challenges

7 August 2025 | Le Meridien Kuala Lumpur
8 am - 5 pm

MRC Members: COMPLIMENTARY
Non-Member Companies: RM350

Be at the forefront of a sustainable rubber industry and secure your spot now at the Malaysian Rubber Industry ESG Conference (MREC) 2025! **RSVP by 30 June 2025.**

The second edition of the Malaysian Rubber Industry ESG Conference (MREC) aims to bring together rubber industry players, policymakers, and sustainability experts to address latest sustainability regulations, social compliance, environmental issues, and corporate governance within the rubber industry. With the theme "Creating Opportunities Amid Sustainability Challenges", this conference underscores the Malaysian rubber industry's commitment to navigate complex ESG regulations while leveraging opportunities for growth, innovation, and global competitiveness.

Key Highlights

- + **Insightful Thought Leadership:** Gain expert insights from industry leaders, policymakers, and ESG specialists on the future of sustainable growth in the rubber industry.
- + **Policy and Industry Updates:** Understand how global trends and regulations impact the Malaysian rubber industry.
- + **Actionable ESG Knowledge:** Learn from successful ESG implementation stories shared by companies in the Malaysian rubber industry.
- + **Networking Opportunities:** Connect with key stakeholders and form partnerships with ESG service providers for collaborative sustainability initiatives and ESG-driven business ventures.
- + **A Vision for the Future:** Be part of the sustainable Malaysian rubber industry, contributing to a balanced approach that ensures economic viability, environmental stewardship, and social equity.
