Application of rubber in infrastructure & construction

Dr. Norhana Binti Abdul Rahman
Lecturer, Civil Engineering Dept.
Diploma in Civil Engineering
Bachelor of Engineering (Hons.) Civil
Master of Science (Civil Engineering)
Doctor of Philosophy – Civil Engineering
Material & Concrete

Dr. Nurul Izzatul Lydia Binti Za'ba
Lecturer, Civil Engineering Dept.
Diploma in Civil Engineering
Bachelor of Engineering (Hons.) Civil
Master of Science (Civil Engineering)
Doctor of Philosophy – Civil Engineering
Structural Analysis, Engineered Timber Structure

Energy saving

Assoc. Prof. Ts. Dr. Vengadeshwaran Velu CEng, MIET
Head of Department, Electrical & Electronics Dept.

Bachelor of Electrical & Electronics Engineering

Master of Engineering – Telecommunication

Doctor of Philosophy – Electrical Power

Energy Management, Electric Vehicle, Concentrated Solar Power, Matrix Converter

Ir. Ts. Dr. Mohammed Reyasudin Basir Khan CEng, MIET, EUR ING, MIEEE, MIEM
Registered Electrical Energy Manager (REEM), Certified Energy Manager (AEMAS),
Certified Professional in Measurement and Verification (CPMV)
Head of Department, Comp. Engineering & Comp. Science Dept.

Bachelor of Electrical & Electronics Engineering (Hons)

Doctor of Philosophy

Power & Energy, Machine Learning

Automation and process improvement

Nurfadzylah Binti Awang
Lecturer, Mechanical Engineering Dept.
Bachelor of Manufacturing Engineering
Master of Science in Manufacturing Engineering
Manufacturing & Automation

Prof. Dr. Edwin Chung BSc, BE (Hons.), PhD, CEng, MIET
Dean, School of Engineering
Bachelor of Science – Comp. Sci.
Bachelor of Engineering (Hons.) – Elec. & Comp. Sys. Eng.
Doctor of Philosophy
TRIZ, Design Thinking

Wastewater treatment

Dr. TVN Padmesh, BE, ME, PhD, CEng, MIET
Assistant Professor, Chemical Engineering Dept.
Bachelor of Engineering – Chemical
Master of Engineering – Chemical
Doctor of Philosophy – Chemical
Environment Engineering, Wastewater, Nanotechnology

Assoc. Prof. Dr. Soundarajan Krishnan, BE, ME, PhD, CEng, MIChemE
Head of Department, Chemical Engineering Dept.
Bachelor of Engineering – Chemical
Master of Technology – Chemical
Doctor of Philosophy – Chemical
Wastewater, Renewable Energy, Air Pollution Control
