

MaRVis

Malaysian Rubber Products
VIRTUAL SHOWCASE

The Malaysian Rubber Products Virtual Showcase (MaRVis) is initiated by the Malaysian Rubber Council (MRC) to create an all-round experience for buyers to reach out to Malaysian rubber and rubber product manufacturers and exporters.

MaRVis is an ideal platform to further facilitate online business engagements related to Malaysian rubber and rubber products. This platform will provide great experience for buyers around the world to connect with Malaysian manufacturers, who supply high quality rubber and rubber products that meet international standards and requirements, without geographical boundaries. There are various activities organized to cater to your needs, including e-Global Sourcing Mission (e-GSM) and informative webinar.
