

# WHEN IT COMES TO PROTECTION QUALITY MAKES THE DIFFERENCE

Medical gloves are your first line of defense against infection. For all top healthcare providers, the proper use of **Quality** medical gloves is important in infection control and prevention of Hospital Acquired Infections (HAIs).

Our commitment to **Quality** is the reason why Malaysia continues to be the leading exporter of medical gloves of natural rubber latex as well as nitrile.

## MALAYSIA: WORLD'S NO. 1 FOR MEDICAL GLOVES
