

# Making Food Delicious Is An Art. Keeping Food Safe Is A Science.

Scientific studies have shown that hand-washing alone is not enough to ensure microbe-free food handling. For your customers' well-being, choose **Made in Malaysia** food handling gloves. Malaysian manufacturers make certain the products comply with stringent international standards, and are consistent in quality and competitively priced. Malaysian manufacturers are committed to social responsibility and sustainability initiatives to not only ensure human health is preserved, but to have an equally positive impact on communities and the environment. When it comes to rubber, **No One Knows Rubber Like Malaysia Does**.
