

For Immediate Release

YB DR. DAROYAH ALWI BECAME THE FIRST CHAIRWOMAN OF MALAYSIAN RUBBER COUNCIL SINCE ITS ESTABLISHMENT 20 YEARS AGO

KUALA LUMPUR, 12 October 2021 - Malaysian Rubber Council (MRC) announced and onboarded their newly appointed Chairwoman, Yang Berhormat Dr. Daroyah binti Alwi, replacing Yang Mulia Raja Dato' Haji Idris Raja Kamarudin, effective 1 October 2021.

Chief Executive Officer, Nurul Islam Mohamed Yusoff, said YB Dr. Daroyah's appointment has its history to be reckoned with as this is MRC's first time being lead by a woman.

"MRC's Management Team extends their warmest welcome to YB Dr. Daroyah and is confident with her vast experience, she will be able to provide the best contribution to further improve the performance of MRC towards greater success," he explained.

"MRC is also immensely appreciative and grateful towards the former Chairman of MRC, YM Raja Dato' Haji Idris Raja Kamarudin, for his valuable contribution and insights throughout his tenure at MRC," said Nurul Islam.

Meanwhile, Yang Berhormat Dr. Daroyah said she believes in the MRC management team, who will stand alongside her when facing any challenges ahead and leverage all her experience in steering MRC towards the right direction.

"I will be committed to developing and strengthening Malaysian Rubber Council, not only for the local rubber industry but also internationally," said Yang Berhormat Dr. Daroyah. [END]
